

We are pleased to be chosen by the Copper Shores Community Health Foundation as one of the non-profits to benefit from the 2023 #GIVINGTUESDAY event. This event is held annually on the Tuesday after Thanksgiving to kick off the holiday giving season and inspire people to collaborate in improving their local communities and to give back in impactful ways to the charities and causes, they support.

The *Barbara Kettle Gundlach Shelter Home* has been committed to providing quality services in our 3-county area of Houghton, Keweenaw and Ontonagon counties for 43 years as a funded shelter. Our agency provides emergency shelter, support services, information, and outreach services for those in abusive relationships. [#GivingTuesday](#) donations have a direct impact on the resources we can provide for victims.

We appreciate all of the community support throughout the year; however, here's a chance to increase your donation through donating to the [#givingtuesday](#) campaign 2023! All the details are on the <https://www.coppershores.org/giving-tuesday-2023.org> website on how to donate to the **Barbara Kettle Gundlach Shelter** as one of the non-profit agencies included in this year's event. Thank you from the Board, staff, and volunteers!

Donations can be made now through *Tuesday, November 28th, 2023.*
